

# Bill Ester Introduction

I would like to take this opportunity to introduce Bill Ester. He comes to us from a small community in southeastern Wisconsin.

Bill is a husband and father of three, a former CPA.

He is an avid bicyclist, climbs mountains, and backpacks in the Colorado Rockies. He loves to play the piano and has been crazy enough to drive a small powerboat across the Atlantic from Florida to the Bahamas.

He currently owns a Dippin' Dots ice cream franchise in the Milwaukee area and when he finds time, he speaks to audiences all over America.

But most of all, he is a guy who learned how to overcome a really bad day.

Let's welcome Bill Ester.
